Committees:

Committee procedure:

- ↓ Committee discuss, implement and monitors the scope of activities identified for respective committees.
- ↓ Chairman and member Secretary of the committee bear the responsibility of committee functioning.
- ↓ Each committee maintains a file to record their proceedings, decisions taken and instructions framed.
- ↓ Committees record their proceedings, document minutes and monitor the implementation of decision taken.
- ↓ Committees distribute the work amongst members as required and develop their own guidelines for functioning.
- ↓ Necessary instructions are passed on to the relevant staff through circulars and a copy of all these will be retained in committee's file.
- ↓ Hospital and staff are obliged to follow the instructions.
- ↓ Committee reviews their functioning at appropriate intervals, as decided by Chairman/Member Secretary, to assess their functioning.
- ↓ Following committees have been constituted:
